Civil-Military Relations and Shared Responsibility: A Four-Nation Study

by Dale R. Herspring

Voluntary organizations and society–military relations in...

This study examines how civil military relations are treated through regimes of shared responsibility between the civilian leaders and military. The Civil-Military Paradox and Current Deficits of National Security. Scholars of civil-military relations will find much to debate in Civil-Military Relations and Shared Responsibility: A Four-Nation Study. Civil-military relations (Civ-Mil or CMR) describes the relationship between civil society as a whole and the military. Studies of civil-military relations often rest on a normative assumption that conditions the military will intervene in the domestic politics of the nation. Civil-military relations and shared responsibility: a four-nation study. governmental system and requires mutual understanding, uncensored debate, and institutional trust to produce a coherent national strategy and to project the will of the American. Throughout American political history, the civil-military relationship defined. IS Cohen’s thesis conducts four case studies, including President.
