Rory Gallagher - Seems To Me Lyrics MetroLyrics

It seems to me that equating that with a loss of EUR 14 million is a gross exaggeration. A mí me parece que equiparar eso a una pérdida de 14 millones de euros es una exageración. There is no indication of what me is doing in the sentence. French Translation of "it seems to me that." The official Collins English-French Dictionary provides the following example: it seems to someone (that): It seems to me this is his most recent work. The example sentence: That thing seems me very suspicious is nonsensical. There is no indication of what me is doing in the sentence. French Translation of "it seems to me that."
