Masterpieces of the Italian Art

by Maria Laura Della Croce

Italian art - Wikipedia

Masterpieces of Italian art: Wikipedia. Masterpieces of Italian art. Wikipedia. Italian art is broadly divided into five periods: Ancient, Medieval, Gothic, Renaissance, and Baroque. Ancient art includes works from the Etruscans and Celts who inhabited the south, centre and north of Italy. His masterpieces include three statues of the Biblical hero David. In a version finished in the 1430s, Donatello portrayed David as a graceful figure. His masterpieces include Greek and Roman sculpture, Romanesque and Gothic architecture, and Renaissance painting.

Masterpieces of Italian Art: Maria Laura Della Croce celebrates the creative power of Italy through the ages, in the fields of architecture, art, sculpture, and literature. Her book presents masterpieces of the Italian Renaissance, the Middle Ages, and the Baroque period, with a focus on the artistic movement that started in the 15th century. Among the masterpieces she highlights are the Last Supper by Leonardo da Vinci, the David by Michelangelo, and the Venus by Botticelli. These works, along with others, provide a comprehensive overview of Italian art from antiquity to the Baroque era.

Art and the Italian Renaissance - An Express Art Book

Masterpieces of Italian Painting by Text by James W. Thompson. Many cool facts about 3 Italian masterpieces:
